

CCA Weekly Cornhole Nights Payout Structure

Cornhole nights cost \$10

CCA is paid \$2 per player entry per night (Equipment, admin support etc.)

The Director is paid \$2 per player entry per night. If there is more than one director the amount does NOT change.

** It is up to each directors' discretion if they choose to take their portion of money or put their portion towards their group (Save for merchandise, food, beer etc). We strongly encourage directors to collect compensation for their time, gas, efforts etc. but we understand that some want that money to go back to the group.*

The remaining player entry fees go to the nightly player payout.

This means all groups are paying out 60% of entry fees ALWAYS!
